Subject: Re: Dimock Daily Report from Helen

Let's hold for tomorrow's report. We ran with what we had by the deadline today. Thanks, Kathy

Subject: Dimock Daily Report from Helen

Helen just called me with the following 3 items for today's daily Dimock report:

1. CIC supporting residential sampling efforts today.
2. Yesterday (2/13), an AP reporter took photos of EPA sampling activities.
3. The revised draft Communications Strategy for residential data has been circulated for review.
